

Hello to all parents,

We are delighted with your children’s enthusiastic return again today and their good manners especially. Lunchtime, in particular, was very pleasant and children were able to keep up the pace and get outside for a run around!

Today was very smooth-running and as a result we feel able to make some changes – **in red below** – that we hope will make family life easier with regard to drop-off and collection.

Nursery	8:45-3:30pm	enter and exit via Paterson Road entrance
Reception	9-3:15pm	enter and exit via Paterson Road entrance
Year 1	8:30-3pm	enter and exit via Paterson Road entrance
<b>Year 2</b>	<b>8:45-3:15pm</b>	enter and exit via Oak Green entrance
<b>Year 3</b>	<b>8:45- 3:15pm</b>	enter and exit via kitchen car park
Year 4	8:30- 3:00pm	enter and exit via Oak Green entrance
Year 5	8:45-3:15pm	enter and exit via staff car park near Eaton Road
<b>Year 6</b>	<b>9.00- 3:30pm</b>	enter and exit via staff car park near Eaton Road

We do understand that some of these times are close together still for some families but we will be waiting with the gates open until children are safely in.

Most older children are able to leave their parents and walk into the gates unaccompanied – Y5 and 6 will not need any parents through the gates for drop-off.

Please, parents, do make sure that you are keeping your distance from other families when you are waiting on the playground and outside the gates for your own safety and your children’s.

Thank you for your support, patience and cooperation as we welcome them back safely again next week.

Enjoy your weekend. It is lovely to have met so many of you already.

Yours sincerely,

Mrs Garrett, Mrs Beesley and Mrs Kelloway
