

Dear Parents and Carers,

From Monday 14th September to Wednesday 23rd September Year 2 teachers will be uploading home learning daily to e:schools and the school website for your child to do whilst they are isolating at home. This learning is what we would have been doing at school during this time so it is important that you make time each day to complete the activities. We will be uploading a description of the activity along with any resources and website links that you will need.

You can upload any work that your child has done at home to e:school and your child's class teacher will look at this and make a comment.

There are lots of additional websites/apps that we use at school that you can access at home. A list of these are below:

Bug Club:

This is a great website to support your child with their reading. There are options for children to be read to or to read themselves. It is packed with lots of books matched to your child's reading ability. Please use on a regular basis to support your child's progress. If you need additional books adding please let us know. Login details are stuck in your child's fish book.

Timetables Rock Stars:

This has been set up to match your child's timetable level, this is great fun and the children really enjoying playing on it. By May all children need to know their 2, 3, 5 and 10 times tables. Please use on a regular basis with your child. There is also an app version that you can download. Login details are stuck in your child's fish book.

Numbots:

This has been set up to match your child's maths ability, this is great fun and the children really enjoying playing on it. This is a game based on supporting your child develop their addition and subtraction knowledge. Please use on a regular basis with your child. There is also an app version that you can download. Login details are stuck in your child's fish book, they are the same login details as times table rock stars.
