Dear Parents,

I am excited to share with you that the children in Key Stage Two will soon be using an app called Seesaw in class. This app allows the children to build a secure online portfolio to share their learning with you in a safe and engaging way. Each child will have their own journal where they can document their learning and where families are able to connect to their child's journal to view the work they are doing.

The Seesaw app needs your child's name to be able to associate work to his/her account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

I hope that your child will enjoy using Seesaw and that you will enjoy being involved in the learning journey with him/her. Please sign and return the permission slip below, indicating whether or not you are happy for your child to use the app.

If you have any questions regarding Seesaw, please do not hesitate to contact me or alternatively, visit their website: <http://seesaw.me>.

Kind regards,

Miss Russell
