Dear Parents,

With nearly three weeks to go until the end of term, it is quite unimaginable how much has changed in our lives and will continue to do so for some time it seems. With that in mind though, we must recognise all of the hurdles we have jumped and in particular how wonderful our children have been. Their resilience and efforts continue to make me, and I am sure you, so very proud. I would like to thank you once again for supporting the school by sending your children to school on time, well dressed, with lovely manners and assisting with homework. They are such lovely young people and this does not happen unless efforts are made for us all to be the best role models for them. Thank you.

Winter Wonderland

A group of parents and staff are going to work their magic on Sunday morning to create a wonderland for the children. We will be in school at 11.30am so if you have any time to spare or things to offer to go inside, that would be wonderful and so appreciated. Thank you so much for the donations we have already received to make this a magical place. If there any more contributions please drop them off at the school office. Let's really try to make this extra special for the children. If any parent has a particular skill with electrics or building, we would never say no to any extra help!

Father Christmas popped in to see me yesterday and has recorded a message for the children which will be on E-schools on Tuesday morning and shown to the children in class to launch the wonderland design competition.

Handwriting Awards

We are having a real push on handwriting and presentation in school. I will be hosting an awards ceremony for the whole school via Zoom on Thursday to announce the winners and distribute prizes. Please support us by helping your children with this at home.

End of the School Day

Please ensure your children stay with you at the end of the day. I have noticed children playing on the railings by the front steps, not only is this dangerous but is causing the paint to flake off the railings. I know the children can be excitable at this time but I still like to see them respecting school property and acceptable behaviour.

Well Done

Arthur Giles for making a super 'Emotions Box' at home. It is now in his class for his friends to use.

A new arrival!

Oscar was born on the 5th November. He has a big sister (Amelie) and big brother (Alfie). We look forward to meeting Oscar and wish the family lots of love.

Wishing you all a safe and happy weekend.

God Bless.
