

XAVIER EDUCATION TRUST
ST ANNE'S CATHOLIC PRIMARY SCHOOL
St Anne's Governing Body

Thursday 1st April 2021

Dear Parents and Carers

As we approach the Easter holiday, having experienced another extremely unusual term, the governors of St Anne's would just like to take this opportunity to express our pride and admiration in how brilliantly everyone in our school community is working together in the face of another set of changes.

As parents, this has been again a really tough time for you as you cope with your own worries and try to keep your children engaged and occupied whilst we are all required to stay at home. We would like to thank you all for the support you are giving to your children as we all try to ensure that they are able to continue with their learning to the best of their ability.

The staff have been incredible. They have been so creative and inventive making sure the children were captivated and curious in their lessons on zoom. We would also like to thank each and every member of the staff team for their hard work, boundless energy and enthusiasm. We are honoured and humbled to be part of such a wonderful team

I would like this opportunity to welcome three new governors to our school. They are:

Parent Governor: Paula Hardman

Parent Governor: Christopher Saunders

Foundation Governor: Marguerite Lydon

We are very happy to have such enthusiastic and skilled volunteers to support our aims and have a vested interest in ensuring that we deliver the best experience for our children. I am sure you will see them around school as they fulfil their roles.

The Governors are a mixed group of people from different backgrounds who share one common interest, ensuring that the school is being managed in a manner that ensures the best learning environment for our pupils. Next time you are in the Reception please look at the board to see all the governors' names and photographs.

So now we come to our Easter holiday may it be a time of rest and enjoyment with time to be together with your families. We all pray for good weather as we meet in our gardens!

The message below is an Easter Message from Pope Francis. It is one, I think, we all need to take into our hearts. As Jesus said one of the most important commandments is to "Love others as much as you love yourself". A very important message to all.

God Bless you all and Happy Easter

Lyn Derrington
Chair of Governors
