Leanne M Harris B.A. (Hons)

Headteacher

14th September 2020

Dear Parents

Please find attached two important letters regarding keeping your children safe online. It is very important that you read these and take any appropriate action at home to ensure your children are not subjected to any online harm. Thank you for your support with this.

As the situation regarding COVID-19 appears sadly to be once again on the rise, please can we request that you continue to be aware of the following important things:

1. Please ensure you maintain safe social distance whilst on site.
2. Please check your child's temperature before coming to school each day. **A temperature of above 37.8 degrees is considered high and means you need to keep your child off school and book a COVID-19 test.**

The latest guidelines also state that all siblings should also be kept off school even if they are not showing signs of illness. All children should remain off school until the test result comes back as negative.

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

These are very challenging and often difficult times for us all. Colds, sniffles and heightened temperatures are common place in schools every year but we simply cannot take any chances at the moment. If your child is displaying any of the key COVID symptoms, please book a test as soon as possible. This is best done via a testing centre but you can also order a home-testing kit to be delivered to your house.

Stay safe and thank you for all your support at the beginning of the school year.

God Bless,

Mrs Murphy
Acting Head Teacher
