Headteacher

1st June 2020

Dear Parents,

Welcome back to our final half term of the year. I hope you had a lovely break with your families and are beginning to enjoy a little more freedom.

As we started our phased re-opening this morning, I wanted to let you know that it has all gone smoothly so far. As you know, we are at present open for children of critical workers and for pupils who may need some additional support. We have pupils within these categories from all year groups in school today, the sun is shining and overall they appear to be embracing this new start.

I would like to thank all the parents who got in touch to thank the staff for all of their efforts and I would like to echo these thanks both to the staff and families. The support means so much when it has been a tough day and helps the team to spur on.

As previously stated in my letter on 20<sup>th</sup> May, I will be writing to you all again on Wednesday about the possibility of phasing in one of the year groups the government has outlined. The guidance states that it should be the youngest members of the school who are phased back first, which would therefore be reception children. Over the next few days I will be monitoring carefully if this is possible, both capacity-wise and in terms of safety. I will share more details on Wednesday with you all.

In the meantime, the teachers are continuing to provide home learning for those children who are not in school. They will be delivering the same to the pupils in school with some additions of music and PE sessions.

The website will continue to be updated with key information for you, so please keep an eye on it.

God Bless,

Mrs Murphy
