18<sup>th</sup> June 2020

Dear Parents,

I have received a few questions in the past few days regarding both my letter about the end of term arrangements and also about class teachers for next term.

Please see the updated information on the parent rep notes in the Covid-19 section of the school website. I have written it in red for your purposes. I hope this clarifies things for you. (See below)

### **Curriculum from September**

Everything will be in place when the children return.

The children will have a new class teacher from September. Details of this will be confirmed before the end of this term.

There will be no interventions taking place outside of the class until at least October half term so that the children can be fully immersed and settled with their new class teacher as well as having had the opportunity to be assessed for needs. Then necessary interventions will take place.

Mrs Rainbow is in the process of training learning support staff to deliver these using the White Rose Maths materials (as maths will no doubt display the largest gaps in content).

### **End of term arrangements**

Term will end on Wednesday 15<sup>th</sup> July **for all pupils** in school excluding Year 6. The remaining Year 6 pupils who are currently at home, are then invited back for the final day and a half. We do have an obligation to be open for critical workers and vulnerable pupils but if you can possibly finish on Wednesday 15<sup>th</sup>, this will enable all staff to support and be available for Year 6. If alternative childcare cannot be sought then we will be open for those pupils.

**We need to have a reply from every family already attending and all Year 6 pupils so that provision is made.**

I do hope that this has clarified things for you and I apologise if this was not clear enough.

All details regarding next year's arrangements for September will be with you before the end of this term.

Kind regards

Mrs Murphy  
Acting Head Teacher
