Dear Parents/Carers

As we head towards the end of the second week of this term, we are pleased the children both in school and those accessing online learning are becoming more familiar with their daily routines.

The National Lockdown currently remains in place and the Government has confirmed that schools can only open for critical worker / vulnerable families at this time; schools cannot fully reopen until after February half term at the earliest.

Across the country, the number of pupils of critical worker / vulnerable families offered onsite provision is higher than during the first National Lockdown and this applies at Holy Trinity too. We have been inundated with subsequent requests from critical worker / vulnerable families due to the pandemic's impact on essential changes to shift/work rotas on the frontline.

The foundation of our Christian ethos and the basis of our School Values are to always strive to support our families. We continue to do as much as we can to provide the best service of education for all our pupils. We understand the complexities and anxiety families face juggling work commitments and childcare at this demanding time and we are sincerely appreciative of your support.

We await future updates on Government guidance and will of course let you know when plans are reviewed further. In the meantime, if you have any technical queries or device issues you have not previously made us aware of please do not hesitate to let us know.

Do please be assured, we are here for every one of you and if you have any concerns, please email or telephone us through the School Office ([admin@holytrinitynorthwood.org](mailto:admin@holytrinitynorthwood.org) / 01923 822529).

*Psalm 28:7*

*The LORD is my strength and my shield; my heart trusts in him, and I am helped. My heart leaps for joy and I will give thanks to him in song.*

Kind regards
