Executive Headteacher: Reverend Daniel Norris MBA NPQH  
Heads of School: Mrs. Sally Roscoe and Mrs. Clare Rodenas

## Key Stage 1 and Key Stage 2 homework 31<sup>st</sup> January 2020 to be handed in by Monday 10<sup>th</sup> February

As you know, it is very important that we all remember to wash our hands **often**, particularly before eating and after sneezing, coughing and using the toilet. We should also wash them after blowing our nose; before, during and after preparing food; after touching animals and after helping someone who is not well.

It is also very important to wash our hands **properly** using the method you have been shown in school. To help everyone remember these things, we would like you to design a poster. The best posters will be put around the school and sent to Mkanakhoti School as part of our joint health and hygiene project.

Success criteria:

- Your poster must be on plain A4 paper. It can be portrait or landscape. If you do not have plain A4 paper at home, please ask your teacher.
- You can either write and draw your poster or word process it. You can use appropriate images from the Internet with your parents' permission. You can also use the images from the handwashing poster attached to this email.
- If you want to you can use some of the words from the handwashing song. The words and music are also attached to this email.
- Please put your name and class on the back of the poster.
- Remember the aim of the poster is to encourage people to wash their hands and remind them how to do it properly.
