Making Webs
Webs are very complex patterns. Have a go at being a very busy spider! How will you make yours?

Talking Together

Lets look closely how the spider does it!
Can you follow the steps? Draw your own web! This builds a pattern going outwards! An orb pattern.

Webs everywhere!

You could get creative with your web and add extra patterns. Or shapes like Walter does!

Spider Stories

The very busy spider is so busy making her web. Sometimes she tells stories about her flies and how many she eats. Can you help us see if her stories are correct?

Talking Together
Spot the mistake.

The very busy spider caught 7 flies. Then she ate 3. Now she has 3 left. Is she correct?

Talking Together
Spot the mistake.

The very busy spider caught 6 flies. Then she ate 2. Now she has 2 left. Is she correct?
