Heads of School: Mrs. Sally Roscoe and Mrs. Clare Rodenas

17<sup>th</sup> December 2019

Dear Cedar Parents/Carers

## **New Topic for next half term – Misty Mountain, Winding River**

Our new Year 4 topic for the next half term is based on rivers and mountains.

- In Geography, children will learn about the characteristics and physical processes of rivers and how they can alter a landscape over time as well as the important role they have to play. We will learn to use compass reference points and grid references when reading a map. We will also be learning about contour lines and how different types of mountain are formed.
- Through Science, children will learn about solids, liquids and gases including how they change state and the water cycle.
- In Destination Reader, children will be reading the book 'The Abominables' by Eva Ibbotson.
- In English we will be reading and writing a range of texts including: water-based poetry, adventure stories and creating leaflets to show off all our new knowledge!
- In Art and Design the children will be learning all about landscapes and the different techniques that authors use to create atmosphere.

We look forward to another exciting half term.

Kind regards

**Mrs Arthur and Mrs Morgan**
