

Class: Sycamore

Year Group: 5

Week 9: 08.06.2020

Moving forward, we are going to be providing more support via PowerPoints posted on Google Classroom under classwork. Please let me know if it is difficult for you to access the materials daily.

	Monday	Tuesday	Wednesday	Thursday	Friday
9:00 - 9:30am	Join in with the Body Coach Joe Wicks for a 30 min work out on YouTube https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ or go for a 30-minute walk, run or skip with short breaks.				
Every day tasks!	Check Google Classroom to make sure you have all the work for the day. Doodle Maths, Doodle English, Doodle times tables, Doodle spellings and reading (books from home or electronically by logging into Bug club) to continue as normal. Please make a note of the books you read as I will need it for my records.				
English Check PowerPoint for each day on Google Classroom in classwork folder. Optional extension work: Sam Learning available for anyone who wants to do it.	Watch a short video message and answer listening questions. Practise informal and formal language and complete task. Based on the video message, make notes (6-10 ideas) about what you would say in your own video. See Google Classroom Wk 9 Monday	Watch video message again and think about the film stills regarding emotions. Investigate different emotions by using a dictionary or an online dictionary and write definitions in your own words. Write and perform your own message. See Google Classroom Wk 9 Tuesday	Watch another video message and recall the 7 things mentioned. Revise expanded noun phrases and complete task. Write a prepositional phrase using the expanded noun phrases from previous task. See Google Classroom Wk 9 Wednesday	Analyse a video message highlighting some poetic features. Think about your own memories and complete task. Using features from the video message, write, practise and perform your script. See Google Classroom Wk 9 Thursday	Read a poem and find a rhythm. Highlight verbs and nouns used in the poem and complete task. Think of other professions and write nouns and verbs to do with 3 other groups of people. Turn your ideas into a poem. See Google Classroom Wk 9 Friday
Maths Follow the video on White Rose and then find your worksheets on Google Classroom in classwork for each day.	White Rose Maths www.whiterosemaths.com Click on the home learning button and follow the lessons by day. Summer Term - Week 7 Lesson 1	White Rose Maths www.whiterosemaths.com Click on the home learning button and follow the lessons by day. Summer Term - Week 7 Lesson 2	White Rose Maths www.whiterosemaths.com Click on the home learning button and follow the lessons by day. Summer Term - Week 7 Lesson 3	White Rose Maths www.whiterosemaths.com Click on the home learning button and follow the lessons by day. Summer Term - Week 7 Lesson 4	White Rose Maths www.whiterosemaths.com Click on the home learning button and follow the lessons by day. Summer Term - Week 7 Maths challenge
