<p>Foundation Subjects</p>	<p>RE – The Kingdom of God – see attached sheet and complete the activity.</p>	<p>Topic – ‘Play List’ – Design (it would be a good idea to draw a picture of your design and discuss it with an adult before you make it) and make an instrument to play. Consider how the instrument will be played and carried by the player and whether it will make its sound by blowing, plucking or beating. Select from a range of different materials and resources to construct your instrument, including a range of tools to join and decorate your designs.</p> <p>Note: Look at the Musical Instrument sheet for ideas. You can choose from a huge variety of instruments, from box shakers, rainmakers, bamboo scrapers and drums, to paper and comb kazoos and rubber band guitars. The possibilities are endless. You may like to post a video of yourself playing your musical instrument on Google Classroom.</p>	<p>Science – How hearing changes as we get older and can sound travel through liquid? Make and test a hydrophone (see sheet). NB You will need 2 x 2 litre empty plastic bottles.</p>	<p>Recipe – Soft and Chewy Cookies</p>	
<p>Also - Your weekly spellings are in the Classwork section of our Google Classroom. Please learn them as usual and ask someone at home to test you.</p>					
<p>Don't forget to keep up with Doodle Maths, Doodle English and Spell and Times Table Rockstars! Check Google Classroom every Friday to see the top Doodlers.</p>
