Trust

Watch a bird

Birds can be found everywhere and there are lots of different ones to see.
Can you spot any in your garden?

To Do Before
You're 11¾**

Draw the bird you are watching here:

*How do they fly and what colours are they?
Listen closely for their singing – what kind of noise do they make?
What do you think they are saying?*

**nosy
crow**

Go cloud watching

Clouds are made of tiny droplets of water and can be found in all sorts of shapes and sizes. Take a look out your window, or look up when you're out for a walk. What clouds can you see?
