

	<p>Monday 15th</p>	<p>Tuesday 16th</p>	<p>Wednesday 17th</p>	<p>Thursday 18th World cupcake day</p>	<p>Friday 19th</p>
<p>English</p>	<p>English: Stone Age boy Look at the adverb Power Point to revise adverbs and how they are used. Work through it. Then re-read Stone Age Boy. Can you hear any adverbs in it? Make a list if you can. Now write a postcard from the boy to his parents telling them all about his adventures. See if you can use any of the adverbs from this sheet in your writing.</p> 	<p>English: Stone Age boy Pick one of the main characters from the book and create a character profile of them. Focus on how they behave and change during the story.</p> 	<p>English: Grammar Look on Doodle English for your learning today. If you would like to do more, then have a look at this SPaG mat 4 and choose the level you are comfortable with. One star is less tricky and three stars is the trickiest (stars are in the bottom left hand corner).</p> 	<p>English: Comprehension Read and answer the questions about Stone Age animals. Section A is the expectation but please do attempt sections B and C if you can.</p> 	<p>English: Father's Day Poetry Create an acrostic poem for Father's Day. It doesn't have to be for a dad, it could be a Grandad or an Uncle or someone else who would love a surprise. "F" is for "Fantastic," "A" is for "Awesome," etc. You can use "Father," "Papa," or a name for your poem. Decorate it or use our page template to make it look special.</p>
<p>Maths</p>	<p>Adding and subtracting 3 and 2-digit number Either watch the video from the materials folder or go to this https://vimeo.com/417332039 Then complete the sheet.</p> 	<p>Add 2-digit and 3-digit numbers – with exchange (crossing 10 and 100) Either watch the video from the materials folder or go to this https://vimeo.com/417332285 Then complete the sheet.</p> 	<p>Subtract a 2-digit number from a 3-digit number – with exchange (crossing 10) Either watch the video from the materials folder or go to this https://vimeo.com/417332443 Then complete the sheet.</p> 	<p>Add two 3-digit numbers - not crossing 10 or 100 Either watch the video from the materials folder or go to this https://vimeo.com/417332649 Then complete the sheet.</p> 	<p>Family Challenge Friday There are a range of problem-solving challenges on the website (with the answers only appearing later on!). You should be able to attempt challenges 1- 3 with a little help. The rest you can try with your family.</p>

What is a Mosque like and what do they do there?
<https://www.bbc.co.uk/programmes/p02mwjhx>
 Find at least three things that are different from a church and three things that are the same. Use the table below to write down what you discover.

Things that people do or that you might see in both a Mosque and a Church	Things that you will see or do in a Mosque but NOT a church

What is Stonehenge?
<https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/zg8q2hv>
 Read the introduction then click on the interactive diagram to learn all about the different sections of Stonehenge. Read about how it was built and then watch the video of how the monument has changed over the years.
 What was Stonehenge used for? Use the table to write down a list of things that historians think may have happened in the monument. Do we have any buildings today that are used for the same things? What are they? Add them to the other side of your table.

Things that Stonehenge was probably used for	Modern buildings that do the same job used for

Optional – Build a 3D paper model of Stonehenge

Science: grow an avocado plant
 Watch this video all about how a bean plant grows.
<https://www.dkfindout.com/uk/video/animals-and-nature/how-bean-grows-video/>
 Then see for yourself how a seed grows roots and shoots!
 You will need an avocado for this so ask a grown up to add one to their weekly shop along with some toothpicks, if you don't have some already. When something exciting happens to your avocado plant seed then draw it in your plant diary (see resources for the template).

What objects did Bronze Age people make?
 Be an archaeologist and have a look at the items from the Bronze Age. What do you think they were used for? What evidence do you have? Use the lines next to each picture to write your ideas down.

Art and DT
 Your mission is to SECRETLY make a card for Father's Day on Sunday. It could be for your Dad, a Grandad or anyone else in your life who might like a card. We are going to make something like this:
