Children have an awfully good time

Thirty children had the experience of a lifetime when they went to the Hall for Cornwall, to watch Awful Auntie, written by David Walliams.

Many had never been to a theatre before, let alone to watch a professional play. The scene changes were mesmerizing and the story was a hoot, with lots of funny capers and childish vulgarities that only David Walliams can get away with.

This was truly a wonderful, educational experience that will encourage the children to read this story and hopefully go on to read more.

The winning class this week is...

Year 3 with 91%

FACEBOOK: Polite reminder

Our fabulous facebook page can be found at Newlyn School which is manned voluntarily once a day. A reminder that parents must not contact any member of staff via personal messenger at any time. Please contact school within working hours for any information they need.

Improving maths skills at home

RM Easimaths is now at Newlyn School.

It is a fabulous resource which works with children at their own level and has built in reinforcement and challenge.

Children should have a copy of their login in their diary and be able to access this at home. Adult help is not needed as the level should be just right for independent work...it will not allow children to move on until they have mastered the skill.

See your class teacher for more details.

Lost property mountain

There is a huge amount of lost property at school. Named items have been taken to classes but much of it is unnamed.

Football boots, PE kits, lunch boxes and coats all need to be claimed please.

Sports news

NEWLYN SCHOOL - YOU ARE AMAZING! Thanks to Mrs Wood and the talented high five team, we had an excellent win against St Uny with a score of 9-2... look at our place in the league!

This was Molly from Year 4's first match...she was nervous but BRILLIANT!

Theatre experience fundraiser

On 13th September we will be hosting a fantastic day of theatre, puppetry and writing workshops by the famous Kneehigh, Rogue and Minack Youth theatre's touring project.

This amazing opportunity has a large price tag and we are going to fundraise for it by throwing an Easter coffee afternoon with entertainment on 9th March. If we raise enough money, the workshop can be offered to children at a lower cost.

If you can bake, donate cakes or lend a hand to help, please let us know.

FONS update

On Thursday the FONS group had a meeting at the school and have given school a cheque for £300 to go towards the library. A huge thanks to them for all their hard work with fundraising for the school.
