Parent login instructions:

Please follow these instructions to log into your SchoolMoney account:

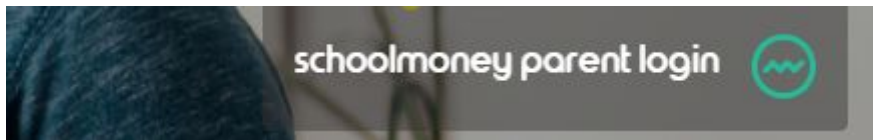

1. Go to eduspot.co.uk

2. Click on the blue Sign In button in the top right corner to open the drop down menu

3. Select schoolmoney parents login in the drop down menu

4. On this login page, enter your mobile number, email address, password (provided by the school) and your child's first name.

The image shows a mobile application interface for "eduspot". At the top is the eduspot logo, which consists of a colorful circular icon above the word "eduspot". Below the logo is a white rounded rectangle containing the text "Parental Login". In the center of this rectangle is a square button with a green circular icon containing a white wavy line, and the word "schoolmoney" below it. Below this button are four input fields, each with a rounded rectangular border and a light gray background. The labels for these fields are "Mobile", "Email", "Password", and "Child's First Name". Below the input fields is a green rounded rectangular button with the word "Go" in white. At the bottom of the white rounded rectangle, there is a small line of text: "If you are having any trouble accessing your account, please contact your child's school."

If you are getting a message to tell you that your login details are incorrect, you will need to double check with your child's school if the details that you are putting in match the ones they have on their system.
