Dear Parents and Carers,

Where does the time go? At the close of this busy year I want to take the opportunity to thank you for all the ways in which you support your children and the community of Sacred Heart Catholic Primary School.

Thank you to those of you involved in the Parent's Association for the many activities you have led this year which have helped to enrich the children's school experience. The Year 6 Leaver's Party has been the most recent event, and I can't think of a better example of how the PA have worked together to provide the children with memories that will last a lifetime. It was a wonderful celebration.

Thank you to those who have supported your children by attending different events in school, from the anti-bullying workshops, to baking together and visiting the palm oil exhibition; your presence in school has demonstrated to your child the importance of their education. Your involvement in the school will make a difference to their enthusiasm for learning.

Thank you to all of you who get up early every morning to make sure your children are on time for school and ready for the day. I can't emphasise enough the positive start in life your children are getting.

Thank you to you all for supporting your children with their homework. This year, many of the classes will be given homework to see them through the holidays. The time your child puts into completing this homework is at your discretion, but the teachers will be very grateful for anything you can do during the holidays to ensure your child keeps practicing their skills. This will ensure everyone can get off to a flying start in September.

Thank you to Fr John and the Parish community for supporting our children in their developing spirituality. Congratulations to all those who have made their Holy Community this year and to their families, teachers and the catechists who have supported them.

Thank you to the incredibly hard-working staff at Sacred Heart. Anyone who visits here is impressed by the care and commitment shown by all who work within this school. It's a very special community to be a part of and I am reminded daily of how fortunate I am to work with such a talented team.

Thank you most of all for giving us the opportunity to work with your children. It is a privilege to be part of their life's journey as they develop spiritually, academically and socially.

The school will not rest over the holidays. We will be undertaking some work on the building to ensure it continues to provide a warm and comfortable environment for your children. We have

also been able to fund a much needed new telephone system. I am sure that you will notice the positive difference this will make to communication in September.

Thinking ahead to September, the children will return on Wednesday 5th September. I look forward to seeing them all in their uniforms. The younger children especially like showing me their shiny new shoes! From September we will be having a big focus on ensuring Sacred Heart continues to live up to its proud tradition of being a school where the highest standards are upheld. Punctuality, attendance and uniform will be closely monitored and I look forward to working with you to ensure these outward signs of our high standards are maintained.

The uniform at Sacred Heart is:

Foundation Stage 1 & 2

Maroon sweatshirt, white polo shirt, grey trousers or skirt.

KS1 & KS2
