15th February 2019

Dear Parents and Carers,

Thank you for supporting your children and the school throughout another fabulous half term at Sacred Heart. I hope that you enjoy a well-deserved half term break with your children.

Happy New Year!

The last few weeks have been very busy and I hope that you have enjoyed keeping up to date with activities through Twitter. The celebrations for Chinese New Year were particularly colourful and many of our younger children enjoyed the visit of the Chinese Dragon, bringing good luck for the year ahead.

Budding Rock Stars

This week the children enjoyed a performance of Rock Music and many have expressed an interest in forming a band themselves! Our music coordinator, Miss Cutler, is already looking into opportunities for the children to become more involved in musical and performance opportunities.

Bikeability

Years 5 and 6 braved all sorts of extreme weather to take part in the Bikeability sessions. These have been very popular and the children have learned a lot of life skills as a result.

Sport

A wide range of sporting opportunities have been on offer in recent weeks. Children from different year groups have represented the school brilliantly in their sports and in their behaviour. They have made us so proud!

Children from years 1 and 2 took part in Indoor Athletics as part of the Wallasey Faith Cluster of schools. Year 3 and 4 were represented at the gymnastics competition in Birkenhead where Sacred Heart took fourth place out of fourteen schools.

The Mini-mermaids group continue to practice their running skills and will soon be completing the 5k challenge.

Cross country club is going well and pupils are working towards beating their personal times for the upcoming race at Arrowe Country Park at the end of February.

Mr Stubbs is coaching the Y6 football team in preparation for their upcoming match against Overchurch Primary School as part of the Houlihan Cup on 1.3.19. So there are lots of events to look forward to shortly after we return from half term.

Playground Activities

As well as having a range of games to participate in at lunchtime, 42 children have chosen to take part in the bleep test challenge with Mr Stubbs. This has seen their speed and fitness improve in a very short time this half term. Well done to you all!

Dance

Year 5 have been taking part in dance rehearsals with staff and students from St Mary's College, in preparation for their parts in a production of The Wizard of Oz at The Floral Pavilion on 6.3.19.

DIOCESE OF
SHREWSBURY

Sacred Heart Catholic Primary School

We would love to hear what you think of the developments to PE provision at Sacred Heart. You can tell us your thoughts by completing the PE parent questionnaire on our website under the tab "PE".

Return to School

We all return to school on Monday 25th February. I look forward to seeing you then.

Yours sincerely,

Margaret Jackson

Headteacher
