

Sacred Heart Primary PE and Sport Premium

School Name: Sacred Heart Primary School

Academic Year: 2017/2018

Total amount Allocated: £19,150

Focus Area Identified	Planned action	Success Criteria	Premium Allocated	Impact	Evidence	Sustainability
Swimming	More members of staff to be sent on a 2-day swimming course delivered by Edsential.	<p>More flexibility working with small groups during swimming.</p> <p>Support school ratios better.</p> <p>More staff able to lead small group swimming.</p>	£390	<p>Swimming training delivered to 1 teacher and 2 TA's.</p> <p>Ratios are now correct for transport and at the pool for all classes.</p> <p>More staff are able to cover swimming if there are staff absences to avoid cancellation for some classes.</p>	<p>No cancellations this year for any classes during their 2 weeks swimming.</p> <p>Now 9 staff are trained.</p>	More flexibility amongst staff as ratios were met.
Resources	<p>Order more resources for infant and junior classes.</p> <p>Resources for afterschool clubs</p> <p>Resources for Active Play</p>	<p>More active lessons</p> <p>Broader range of activities during curriculum and after school.</p> <p>Less behaviour issues in lessons as there will be enough equipment for at least 1 between 2.</p> <p>More active lunch times. Better child engagement in sport.</p>	£1,229.60	<p>All new equipment was ordered across a wide range of subjects. The equipment was all kept securely in the new organised P.E cupboard.</p> <p>Classes are now more actively involved in lessons as they have enough equipment to have their own individual equipment. This has limited the amount of time pupils spent waiting for resources during lessons.</p> <p>Teachers have also been impacted positively with less behaviour issues as they can share the equipment generously.</p>	<p>Student and teacher survey focussing on the 3 areas identified in impact.</p> <p>Coordinator observations during lessons- focussing on amount of activity during lessons and student engagement.</p>	

<p>School Sport Playground markings</p>	<p>Create areas in both the junior and infant playground for increased sport engagement.</p> <p>Bright areas for pupils to complete P.E lessons in.</p> <p>Have different sections of the playground for different activities. I.e. netball courts for juniors and tracks, hopscotch etc. for infants.</p>	<p>More active lessons as less time setting out cones etc.</p> <p>Increased wellbeing of teachers-for the same above reason.</p> <p>More active lunch times as areas can be used for increased participation. Helping with the active play.</p> <p>Decrease disputes/arguments on the playground. Children can have space to expend energy, but also to cool down when they need to.</p>	<p>Unknown currently.</p> <p>Potentially allowance of + £6000</p>	<p>Children have had ownership over the design. A blank plan was sent out of a map of the playground to gather children's ideas before a final version was to be created.</p> <p>Miss Cutler worked with school council to help drive this forward.</p> <p>Playground markings were created in July. These markings have already had a huge impact on organised play at lunch times and educational outdoor learning.</p>	<p>Increased participation at lunch times. (Middy/teacher observations)</p> <p>Child/teacher discussions and surveys to track enjoyment and participation of chn.</p> <p>More efficient and active lessons in P.E .</p> <p>Parent feedback.</p> <p>Able to host interschool competitions</p>	
<p>Participation and Engagement</p>	<p>Range of extra curricular clubs offered throughout the year. (14 offered so far-Autumn term)</p>	<p>Increase the number and range of children taking part in an after school sports club. Target 50%</p>	<p>Cost of employment of sports coach. £7,410.00</p>	<p>An increased amount of pupils have attended an after school club in the past year. Pupil feedback has highlighted increased enjoyment and attitudes towards PE and Sport.</p>	<p>Pupil attendance registers Pupil feedback. Photographs</p>	<p>Raised profile of PE and after school sport leading to further opportunities for physical activity</p>
<p>Inter school competitions</p>	<p>A range of competitions for different sports have been set up. One for each term. There will be 1 for Year ½, Year ¾ Year 5/6.</p>	<p>Increased participation as part of the school day.</p> <p>Increased connection and links with other schools to gain better</p>	<p>£200</p>	<p>Increased links with other schools.</p> <p>Staff have noted an improvement in self-esteem since representing our school and achieving in their sport.</p>	<p>Evidence of competitions with other schools through photographs Results showing all pupils who have taken part.</p>	<p>Raising the profile of extracurricular and competitive opportunities amongst pupils, staff and parents with an increase in parental support helping with transport.</p>

	Funding to be used for transport, trophies and certificates etc.	<p>knowledge and use different facilities.</p> <p>Learn from other school's expertise.</p>			Staff feedback on attitudes of pupils towards sports competitions.	<p>Continue to take part in competitions and play matches with cluster schools.</p> <p>Intra school competition can become an integral part of the schools PE and Sport Development Plan.</p>
Active play equipment	Lunch and playtime equipment was ordered to increase participation and activity during those times. Year 5/6 children and dinner ladies have been recruited to carry out timetable and organised games using the new equipment.	<p>More 'active play' during lunch and play time.</p> <p>Less boredom at lunch and play.</p> <p>Less behaviour issues due to organised games.</p> <p>Increased confidence in children's self-confidence leading these structured activities.</p>	£800	Staff have reported an improvement in pupil's engagement in physical activity, especially during lunch and break times.	Staff and pupil feedback Observing pupils. Pupil Photographs
