Healthy Week—Diet and Nutrition

Plans are well underway for our next 10richement Week which sees celebrate our second Healthy Week. This term we focus on diet and nutrition. Children will be cooking, creating healthy lunchboxes and designing posters to encourage healthy eating amongst other great activities !

Staff Communications

Please note that if you need to contact a member of staff this should be done either through their school email address (which can be found on the website) or by making an appointment through the school office.

School Value

This half term we will be concentrating on the value of **FRIENDSHIP**. The children will have weekly assemblies encouraging them to reflect on what this value 'looks like'. They will learn about how we all need the ability to be a good friend and what makes a good friend! There will also be follow up sessions in class. We also ask that they are referred to and reinforced at home as well as school. If there is anyone you feel we should be learning about who was or is a model for showing **FRIENDSHIP** then please let us know!

Amendments to Parking Enforcement in Guildford & Waverley

We have been asked to pass on the following message from Guildford Borough Council (GBC) aimed at improving safety for children entering and leaving school: until now, parking enforcement officers in Guildford & Waverley have only issued a penalty charge notice (PCN) to vehicles which park illegally and have not moved when advised or if the motorist is not around. GBC enforcement officers can now issue a PCN if the motorist drives off before a ticket is issued. In this instance, the driver will get their notice through the post, even if an enforcement officer has only started writing out the PCN.

Continuing on from this we also politely request that parents/carers do not use the staff car-park to drop-off or collect children from school as access is required at all times. It would be appreciated if this could be passed on to all those who are responsible for driving children to and from the school.

School Lunches

If you think you may be entitled to free school meals please request the relevant form from the school office. Likewise if you have not already notified us of any special dietary requirements for your child please contact the school office who will assist you further.
