## RE: Godalming Junior School - Admission Arrangements Consultation - 2021/22

Dear Parents

In accordance with DfE and local authority requirements, we are required to consult when changes to our admission arrangements are proposed.

In order to recruit and retain high-quality staff in order to give the children the best possible opportunities and education, the governors have considered that it is appropriate and necessary to offer some priority to children of staff. However, this category of priority will be subordinated to other categories of priority. The governors do not anticipate that this additional category will result in a material number of places being allocated to children of staff. Otherwise the governors are not proposing to make material changes to our admissions policy. We will be consulting for a period of six weeks from **Thursday 19<sup>th</sup> December 2019** and would welcome any comments regarding our admission arrangements.
