EQUALITY POLICY

This policy was reviewed: Summer 2019

This policy will be reviewed next: Summer 2020

This policy will be reviewed by: The Safeguarding Committee

Purpose

This policy sets out the school's approach to promoting equality, as defined within the Equality Act (2010). It covers sex, race, disability, religion or belief, sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment.

There is a statutory requirement for the school to produce a Single Equality Scheme, which is a plan of action to tackle and eliminate aspects of discrimination and promote equality.

School's context

The school is situated in Godalming and the majority of pupils come from homes whose socio-economic circumstances are better than average. There has been a growing number of children at the school that are eligible for free school meals (currently 12% = 28 children and up from 6% last year) and requiring financial assistance in other areas of the school e.g. school and residential trips. Parents are supportive of the school (100% agreeing that their child is happy at the school - Parent View). The reputation of the school in the local area continues to grow with a number of families moving their children into the school, 64 families put the school as their number one choice last year and 80 this year. This year the school was oversubscribed in year 3. This September the school increased the PAN from 58 to 60. The majority of pupils receive good support for their learning from home and parents have high expectations of their children. The school has established links within the local community with St John's Church and is looking to forge closer links with the feeder infant, secondary and independent schools. 3 members of staff at a neighbouring independent school are on the school's governing body. Godalming Junior School is also a part of the Godalming Confederation of 16 schools. Most of the pupils are able to walk to school and the number of parents helping in school, with DBS clearance, is growing (18).

Our School Aims and Values - Love, Live, Learn

At Godalming Junior School we are committed to providing equality and excellence for all in order to promote the highest possible standards.

The policy is based on our following core values (as expressed in the school's aims or mission statement):

"Godalming Junior School is committed to inclusion. We aim to provide equal opportunities for all pupils by creating an environment which recognise the needs of each child and matches the curriculum accordingly. We aim to support and encourage all pupils to develop their skills and self confidence at all levels of ability and by doing so, hope to raise their own personal standards"

Our School's Overall approach to promoting equality, diversity and tackling discrimination

This policy provides a framework for the school to pursue its equality duties to eliminate unlawful discrimination and harassment, promote equality of opportunity, and promote good relations and positive attitudes between people of diverse backgrounds in all its activities.

The school seeks to ensure that no pupils, staff, parents, guardians or carers or any other person through their contact with the school receives less favourable treatment on any grounds which cannot be shown to be justified. This includes the protected characteristics identified within the Equality Act (2010) i.e. sex, race, disability, religion or belief sexual orientation, pupils who are pregnant, undergoing or who have undergone gender reassignment.

The principles of this policy should apply to all members of the extended school community, pupils, staff, governors, parents and community members.

The Single Equality Scheme will be reviewed annually by staff and governors to ensure that it is effective in eliminating discrimination, promoting access and participation, equality and good relations between different groups, and that it does not disadvantage particular sections of the community. Any pattern of inequality found as a result of impact assessment will be used to inform future planning and decision-making. The Headteacher will provide annual monitoring reports for review by the Governing Body.
