MATHLETICS COMPETITION - Many of you will know that last week we took part in a mathletics competition which saw us trying to collect as many points as possible in a week, and competing against schools all around the world. I am incredibly proud to reveal that we came 83rd out of 611 schools. A fantastic result for our first try, thank you to everyone who helped us!

DINNER MONEY - Please ensure that all dinner money, if cash, is put in a named, dated envelope with the amount clearly written on the outside as we don't always know who loose cash is for. If you do not have enough change on the day please pay the next day rather than a part payment. Thank you.

BIKE ABILITY - Last week a group of year 5 and 6 pupils took part in the bike ability programme. Due to the weather on Wednesday they were unable to make it out on their final day. Martyn will come and complete the course, with those who still need it, in May and awards will be distributed then.
