We will be travelling by coach and 2 minibuses, leaving school at 9.30am and returning about 5pm. Children will need a packed lunch (unless ordered from Sam), a non-fizzy drink in a bottle, light waterproof jacket, sun screen and sun hat. We may need them all! We plan to have lunch on the beach.

GUITAR LESSONS

Guitar lessons next week will be on Wednesday, not Monday, due to our Minack trip.

SAILING

We have received the following from Mr Paul Shenton, Parent Co-ordinator for Sailing:

“I consider myself extremely lucky because I take a group of children from the school on a Thursday afternoon to enjoy the art of dinghy sailing with the Helford River Children’s Sailing Trust. My group, of various ages and abilities, always make me feel very proud in the way they conduct themselves and I have watched with joy as each of them become more confident and competent. This Thursday 13th June I was humbled when I spoke with the new facilities co-ordinator of the Trust, who after the session said to me “What an outstanding session that was, what a lovely group of children (Germoe & Boskenwyn), they were all amazing with their sailing today”. The way they all performed at this activity reflects on the school. They certainly all did Germoe and Boskenwyn proud”.

INSET DAYS 2019-2020

We have decided we will take our 5 inset days next year the week **after** the summer half term, the same as this year. The dates are 1st-5th June 2020.
