

# All Saints Primary School

## Weekly Parent Email

W/E 7<sup>th</sup> September 2018

Dear Parents / Carers,

The children have returned to school looking healthy following the summer break when the sunny weather hopefully ensured lots of activity outdoors. We have really enjoyed our first few days back and the children (and staff) are settling to their new routines very well.

This week we have created new class charters, which describe our rights and responsibilities in order to establish the highest behaviour and learning expectations for the year. The All Saints Team share these for each and every child in our school, in order for them to achieve their best.

### Letter and Information...

For this week, please find attached the following letters:

- What's on Next Week W/C 10.09.18 (this details all the events taking place next week)
- School Photographs Thursday 13<sup>th</sup> September
- New All Saints Consent Forms

Also attached are copies of previous letters emailed to you earlier in the week (just in case you missed them)

- All Saints School - Welcome Back
- Breakfast Club & Afterschool Club Information

### The forthcoming week....

#### School Photographs

As you will see from the attached letter, a Tempest Photographer will be in school on Thursday taking individual and sibling photos. On that day, you will receive a proof of the photo(s) and if you would like to purchase them, you simply return proof slip and payment to school by Friday 28<sup>th</sup> September.

#### Parent Meet and Greet Sessions:

We have organised Meet and Greet Sessions for each class, which will give you the opportunity to not only get to know your child's class teacher but will enable you to gain essential information about class routines and expectations. We strongly recommend that you attend these sessions. Diamond Class Reception parents will be invited to a special information session on Monday 25<sup>th</sup> September at 3.00pm. A more detailed letter will follow shortly. The dates for the Meet and Greets are as follows:

- Topaz Class Tuesday 11<sup>th</sup> September at 3.00pm
- Ruby Class: Wednesday 12<sup>th</sup> September at 3.00pm
- Sapphire Class: Thursday 13<sup>th</sup> September at 3.00pm
- Diamond Class Year 1s: Friday 14<sup>th</sup> September at 3.00pm (Reception Parents are more than welcome to attend)

**Sports Kit:**

Please ensure that your child has their full PE kit in school every day. This kit should include: PE T-shirt, shorts, hoodie, joggers, indoor daps and outdoor trainers. Many thanks

**Parking Outside of School:**

The Parish Council have contacted the school following a request from some parents for considerate parking outside the school. Could we therefore please request that when parking outside the school at drop off or collection, that you ensure that footpaths are not blocked for people with pushchairs.

**Smartie Fund Raising Campaign**

Thank you so much to those families who have already returned their Smartie Tubes that have been full of coins. There is however still plenty of time for children to return their tubes whether they are full or not.

**Reading Records:**

I hope that you will have already seen your child's new reading record in their school book bag. Please encourage the children to look after them and bring them into school daily. Can we please draw your attention to Pages 3, 4 & 5 where we would like you to read and sign. Unfortunately there is a mistake on page 2. Our Inset Day is Friday 21 December and not 21 September.

**Consent Forms:**

Following the introduction of new GDPR (Data Processing) regulations, we have launched a new Parent Consent Form, which is attached to this email. It is vitally important that this form is completed and returned to school as soon as possible. We appreciate your support in this matter.

**Lastly...**

Unfortunately, it has come to our notice that children are sharing inaccurate information concerning staffing at the school. We would like to make it clear that currently no member of staff is leaving the school and all are committed to the year ahead.

We very much hope that your children have enjoyed their first few days back at school as much as we have enjoyed having them. We are so looking forward to an exciting year ahead. Please remember, if you have any questions or queries do not hesitate to come to talk with us as we will be delighted to be of assistance.

Many thanks & kind regards,

All Saints
