

## Headteacher's Message

Year 3 and 4 have been very busy rehearsing this week for their production of 'Peace Child' which takes place on Wednesday 9th May. We are all looking forward to seeing the finished performance.

We wish our year 6 children well as they prepare for their Sats which take place the week beginning 14th May. You have all worked incredibly hard over the last few weeks and we are all very proud of your efforts. Use the tests as an opportunity to show off all that you have learned.

Enjoy the sunny bank holiday weekend.

**Becky Reed**

## Royal Wedding

To celebrate the Royal Wedding we will be having a themed day on **Friday 18th May**.

Children can come into school dressed for a wedding (please make sure they have appropriate footwear for the playground with them) and they will be taking part in Royal Wedding themed activities during the day. Each class will have an afternoon tea in their classrooms. If you would like to contribute an item for the tea, class teachers will be putting up lists next week.

## Online Safety Workshop for Parents

Many of you have told us that you were concerned about keeping your child safe online. We have listened and have booked Childnet a highly respected charity to come and lead a workshop for parents/carers on 22nd May. The session will give you practical ideas for how to keep your child safe in a fast changing online world.

The workshop will take place at school and the workshop will begin at 6.30pm. Pizza and tea and coffee will be served from 6pm. To help us with catering please contact the office if you can attend. Online safety is a concern for us all and it would be lovely to see as many parents as possible at this event.
