September 2018

Dear Year Five & Six Parents,

Yrs. 5 & 6 Football Club Tuesday 18th September – 9th October

Premier Sports have offered to organise a free Football Club. A Premier Sports coach will run the club. Because the hall and playground are already in use each afternoon after school by other clubs, we have decided to run the club on **Tuesday mornings, 8am – 8.35am**. The children that attend the club can enter the school grounds via the 'slope' entrance at the front of the school and then walk round to the Rainbow Room via the side entrance where they will be met by the coach. This club will be limited to 20 children on a first come first serve basis.

Children should arrive in either PE kit or tracksuits ready to start at 8am. School clothes must be brought in to change into afterwards.

This is an excellent opportunity for the children to have fun developing their football skills.

There will be no charge for this club but you must book your child's place via Parentpay.

Yours sincerely,

Becky Reed
Headteacher
