

Headteacher's Message

I can't quite believe we are already in term 6! There is so much going on this term with school trips, leavers' activities, arts projects, a science week and transition days.

End of year reports will be sent out to you on the 13th July and all children will have an opportunity to spend the morning with their new teacher, we will also be welcoming our new Reception children on this morning. Details of next year's staffing will follow in a couple of weeks.

I hope that you all made the most of the extended half term holiday and the fabulous weather we had. We are planning to extend our May half term again next year to give families the opportunity of taking a cheaper holiday.

School Uniform

Please remember that all children need to come into school in the correct uniform: white polo shirt, dark green Chantry sweatshirt and dark grey skirt/ trousers/ smart shorts. Black school shoes should be worn. Green checked dresses may be worn in the Summer.

Trainers and skinny jeans are not part of our Chantry uniform. Just a plea also that children need to have a p.e. kit (white T shirt and green shorts) in school every day, particularly in the warmer weather and with sports days coming up.

Becky Reed

Beat the Street

Join in with a fun, free game to help us all be a little bit more active. See how far you can walk, cycle and run in just 7 weeks. Play the game from 6th June - 25th July 2018 and register to win prizes for the school.

We've made a great start and are rapidly moving up the school's leaderboard but we need more families to take part. Parents, teachers, friends and other family members can register to collect points for Chantry too. Just remember to register your card/fob for your points to count.

If we get another 72 people signed up, the beat box outside Chantry will be changed to double points.

We will be giving prizes in school for the highest individual points total in KS1 and KS2.

Town Sports

On Friday a group of year 4, 5 and 6 children represented the school at Town Sports. Thank you to everyone who took part, you competed amazingly for Chantry and we are all very proud of your achievements.

Year 4 have been busy singing, preparing to take part in the Summer Sing at the De la Warr Pavilion on Wednesday. Well done, you are sounding fabulous!

It's been a busy couple of weeks in year 4 as they are also making a film as part of an arts and science project entitled 'Animals!'. There will be an opportunity for parents to watch the finished film at the end of the project.

ParentPay

From September, we will be asking parents to use ParentPay to pay for school dinners, all activities and trips (including Early Bird Club). Please make sure you have set up an account - if you need any help with this please speak to Mrs Vaughan.
