

Headteacher's Message

What a busy week! It has been lovely to see so many parents in school this week attending Structured Conversations and Parent Consultations. We hope that you found our mid term report sheets helpful and that you will support us by working on your children's targets with them at home.

We were sad at the end of term to say goodbye to Mr Stabler. Our new year 3 teachers are Mrs Roberts and Mr Wickham, I am sure you will warmly welcome them into our Chantry community.

We are delighted to share our recent Ofsted report with you which was published today. The report found Chantry to be **Good in all areas**. It is fantastic that the inspectors recognised the great learning that takes place here and the calm, settled atmosphere around the school.

There are still areas we want to improve and the Ofsted report supports this. All of the staff and governors are committed to improving the school to make it even better and I hope you will notice changes as the school year progresses.

A huge 'Thank you' to the staff, governors, children and parents for all your support, I am immensely proud of our school community and I am excited to be taking the school forward as its Headteacher.

The report is available for you to read (attached to this newsletter) and it will be published on the Ofsted website next week.

Open Learning Week

We would love for you to join us as part of our Chantry Learning Week! Our learning weeks will give you an opportunity to see some of the exciting things which are taking place in our classrooms and to get actively involved with the lessons too! Each teacher has three opportunities for parents and carers to visit and see learning in action in your child's classroom. As you can appreciate we will have to limit the numbers for each session, so there will be 7 spaces available for each session. Because of space, only one family member per child and no toddlers under 5, please sign up in advance in the office.
