Bonkers Hat Competition

Dear Parents/Carers,

We are holding a competition to see who can make the most bonkers hat! This is part of our work with Hastings Storytelling Festival and will give children a chance to show off their creativity.

We have six tickets to give away as prizes (for one adult and one child) to Axel Scheffler's show at the Sussex Studio, White Rock Theatre on Saturday November 10th at 2pm. Axel Scheffler is an award winning author and illustrator, most famous for illustrating 'The Gruffalo'. He will be drawing, telling stories and talking about his work.

If your child would like to take part, bonkers hats need to be brought into school by Wednesday 7th November at 9am. Please make sure all entries are named. Prize winners will be announced on Wednesday and we will post pictures of our winning entries on Facebook.

Get creating! We look forward to seeing the hats next week.
