

## Headteacher's Message

It's been a very calm and settled start to term 5 with the children incredibly focused on their learning which has been lovely to see, as I have walked around the school.

Over the next few months you will be seeing some changes to our outdoor area while we build our 'Community and Conservation Garden'. This is being funded by the grant we received from Tesco. We hope that this will give children more opportunities to grow their own food and learn about sustainability and protecting the environment.

You may have noticed that we have been carrying out some building work around the school. This is to provide some much needed storage for the caretaker and cleaners and to improve the staff /visitor toilet facilities. We anticipate the work will be completed next week.

## KS2 SATS

We wish our year 6 children well as they prepare for their Sats which take place during the week beginning 13th May. I have been amazed by the extra efforts the children (and staff) have all been going to in order to make sure year 6 are as prepared as possible for the tests. Your reliance and aspiration has been impressing all of us - well done year 6!

## Uniform Reminders

Just a reminder that trainers are not part of our Chantry uniform, please make sure that your child wears black school shoes every day in school. For P.E. lessons and the Golden Mile, children will need a plimsolls or trainers in school .

Please make sure that all uniform is named - if names are written on labels they do fade over time so please check they can still be read. Long hair should also be tied back in school .

Enjoy the bank holiday weekend.

## Football Success!

Congratulations to our Girls' Football Team who have won their latest tournament! They are the top team in Bexhill and beat 10 other teams to win the trophy. We are so proud of their amazing achievement!
