

Headteacher's Message

All the children now know who their new teacher/s will be next year. Transition mornings will take place on 13th July.

We would like our children to have the opportunity to share their year's work with you and we invite you to come and eat lunch with your child before having time with them looking through their books.

KS2 Open Afternoon will take place on Tuesday 17th July at 1pm

Reception and KS1 Open afternoon will take place on Wednesday 18th July at 1pm.

Parents can order a cheese/egg/ham or tuna baguette in advance and these are priced at £2.10 and served with a biscuit or cake. Please order in advance, together with the payment via the office by Wednesday 11th July. All children will have a choice of baguettes on these dates and **hot food will not be served on these days.**

Parents are welcome to take their children home a few minutes early after looking at their books unfortunately, you won't be able to collect siblings from the other key stage. We look forward to welcoming you at the Open Afternoons.

Beat the Street

Beat the Street fever has hit Chantry. We are doing fantastically well for a small school and are currently in 4th place out of all the primary, secondary and nursery schools across East Sussex. Keep up your amazing efforts and let's see where on the leader board we can end up. Well done to everyone who is out walking or on bikes, scooters or skates getting points for us. It's so lovely to see the community spirit and that grandparents and other family members are getting involved too. The challenge finishes on the 25th July. Hopefully we'll all be fitter by then after all the miles we are putting in! Keep going team Chantry!

Inset Days 2018/19

Our Inset Days next year will take place on: Monday 3rd and Tuesday 4th September. Children will return to school after the Summer break on **Wednesday 5th September**.

The remaining inset days will be Monday 3rd June, Tuesday 4th June, Wednesday 5th June with children returning after the half term on **Thursday 6th June**.

We are hoping that early notification of this will enable families to take advantage of this extended holiday.

This morning our year 3 children showed off the skills they have learned on the viola over the last few months, in a concert for parents. It was lovely to see the children really focused on the techniques they had learned. Thank you to Mr Coldwell for all his hard work.
