

Headteacher's Message

We have had a lot of visitors into school this week: I have been showing prospective parents around the school, the children have been so calm and focused and it has been a real pleasure to show parents around our school.

Our year 1 children have had a visit from the school nursing team who have been talking to them about the importance of hand washing. One of our governors, Mrs Thomas has been visiting all of our classes to look at the teaching of maths across the school.

Just a plea, as the weather is much colder now, please make sure your child has a warm winter coat with them in school every day.

Becky Reed

Year 6 Visit to Bexhill Museum

Last Thursday, Year 6 visited Bexhill Museum as part their work on Victorians; linked to their class text 'Street Child'.

They were able to experience a Victorian classroom firsthand and hear about the life of a child in the nineteenth century.

We have had some lovely feedback from the museum commending the children on their behaviour - well done year 6, we are all proud of how you were ambassadors for Chantry!

Open Learning Week

It was lovely to see so many of you during our recent Open Learning Week. Well done for getting involved in the activities that were taking place. We hope that it gave you a flavour of the learning that is going on in your child's classroom.

Chantry Car Park

Please remember that the Chantry car park is for staff use only. We respectfully ask that parents do not park in it except by prior arrangement, the car park is used all day by staff and we need to make sure that children's safety is not put at risk.

Christmas Reminders

Thursday	07.12.17	Yr.6 Bexhill Schools' Christmas Concert 5.30pm
