

Maths

- Fractions, decimals and percentages
- Statistics
- Area, perimeter and volume
- Algebra
- Ratio

Music

Singing, performing, composing and playing the recorder.

English

Spelling, grammar, punctuation, comprehension and writing for a variety of purposes focused around the book: *The Secret Lake* by Karen Inglis.

Science

Forces:

Investigating a range of different forces: gravity, air resistance, water resistance and friction. Develop an understanding of balanced and unbalanced forces and their effects.

Electricity:

The National Sensory Art Association (NSAA) has asked you to create an electric art installation for a sensory garden exhibition. Take a lucky dip and find out your specific theme, while following the brief to use motors, switches, bulbs and buzzers to make your art a stand-out choice for display.

Religious Education

Creation
Easter

Sycamore Class
Spring Term 2019
ST. LUCIA

Physical Education

Gymnastics and Dance

Art and Design and Technology

Caribbean art, Cityscapes and Easter cooking.

Computing

To design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts
