

## **Message from R's Mum Feb 2021**

“I am thrilled that R has started to open up to staff at Raikes. Thank you so much for all the support given by Raikes Centre staff. Whilst I didn't want him to come to the school, he is the happiest he has ever been, and I can see a real difference in him. He is even starting to open up to me at home. Thank you. “

## **Message from another parent since Feb half term**

*“As always, thank you for your amazing support...you are all simply brilliant!”*
