Parents' Code of Conduct for Remote Learning

At Loudwater Combined School we believe in the concept of lifelong learning and the concept that both adults and children learn new things every day. We maintain that learning should be engaging and inclusive and an enjoyable experience for everyone; it should be fun. Through our teaching we equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their future lives. We believe that appropriate teaching and learning experiences help children to lead happy and rewarding lives.

The values we hold as a school permeate throughout all areas of school life, these include:

Perseverance	Respect	Honesty	Kindness	Friendship
Forgiveness	Responsibility	Happiness	Thoughtfulness	

Please also read our E-safety policy which can be found on the school website.

Parents Code of Conduct using Google Meet and Google Classroom when home school learning.

- I understand that my child will be using the Google Classroom platform at school and at home if necessary. The school will provide my child with **an email and password** to access this.
- I will ensure that my child is dressed appropriately and that they are using a communal part of the house (not a bedroom.)
- I understand that my child will not be allowed into the lesson until the teacher 'opens' the lesson. My child will begin the session with the camera and microphone off until the teacher directs otherwise.
- I understand that for safeguarding purposes another member of staff maybe present or if unavailable the lesson may be recorded. I will be told in advance if the lesson is being recorded.
- Recorded lessons are saved in the teacher's Google Drive account and will be regularly deleted. Please see the Remote Learning Policy on the school website for further details. Pupils and parents are not to modify, re-post or otherwise tamper with a video uploaded by a member of staff. This is a breach of trust and is not permitted.
- Where possible I will apply child safety settings to my home internet.
- I understand that my child will use Google Classroom and Google Meet to communicate with their class teacher and that they will only post questions and comments linked to their school work. I will remind my child to not share any personal information.

- I understand that the e-safety policy and safeguarding policies still apply in remote teaching circumstances. I have read, understood and accept the parent code of conduct for remote learning.
