

## First Aid

We would like to make sure we give your child first aid as quickly and as safely as possible. In order to do this we need to know whether your child has an allergic reaction to sticking plasters. Please complete the permission slip below so we can put a plaster on a cut or graze.

---

I give permission for First aiders at Troon Primary School to apply a plaster to my child.

They do not have an allergy to sticking plasters.

Signed \_\_\_\_\_

Name of child \_\_\_\_\_

Class \_\_\_\_\_

No child will be given a plaster unless this slip is returned to the school office.
