

FRIDAY NEWCHURCH

2nd February 2018

Y2 CURRICULUM UPDATE

Year 2 have been extremely busy over the past few weeks. They have been learning lots in maths, including using money, partitioning numbers and they have been amazing table troopers learning their 2s, 5s and 10 times tables. In English, they have been studying non-fiction texts, looking at different features and how information can be found easily. In science, they have been learning about everyday materials and their properties and they will be carrying out an experiment in the next few weeks to see how materials can change. In their History topic 'Who's got the X Factor?' they have been learning about the lives of Florence Nightingale and Neil Armstrong, and deciding who they think has had the biggest impact on the present day. They will also be looking at Queen Elizabeth I in the next few weeks. As well as this, they have been creating and developing their own dance routines in PE to the tune 'In the Hall of the Mountain King' (the Alton Towers song) which is looking brilliant. Well done Year 2. Keep up the hard work!

Phoebe Smith: I liked writing about Florence Nightingale and finding out why she is a significant person in our lives.

Olive Ashby: I've enjoyed doing dance in PE and being able to make up our own routines.

Rowan Vizzini: I enjoyed putting Florence Nightingale's life on a time line in chronological order.

SACRE VISIT

On Tuesday afternoon, the school was visited by two members of SACRE (Standing Advisory Council for Religious Education). Two schools in the Local

Authority have been chosen to be visited for them to look at the quality of provision in Religious Education. Our visitors were very impressed with the quality of the curriculum and in particular how the school has interpreted the Lancashire Agreed Syllabus all schools in Warrington follow. They particularly liked that the school takes the children to different places of worship and also the links with other areas of the curriculum such as dance, drama, art and music.
