

### **When does the competition open and close?**

The Cheshire Fire and Rescue Service 'Colouring Competition' is open for entries between May 15<sup>th</sup> and May 30<sup>th</sup> 2020.

### **Who is the competition aimed at?**

The competition is quite simply for everyone. There are four categories; children aged 0-8, children aged 9-15, 16+ and most creative.

### **How many pictures can I colour in and submit?**

Each person can enter one picture. There is three picture templates, so you can enter a maximum of three all together. There is also the option of submitting a picture as a family and/or household if you prefer.

### **What do I need to do?**

Colour in the pictures as you wish. The image provides a template for you to be creative, use as many colours as you want and be expressive.

### **How do I submit my pictures?**

Due to the covid-19 pandemic, we are only accepting online entries which you can submit as an attachment to an email or you can take a photo of the completed colouring in picture and send via email. Just state in the email which picture belongs to which person, family or household.

Please submit via our [equalities@cheshirefire.gov.uk](mailto:equalities@cheshirefire.gov.uk) email address before 11:59pm on 30<sup>th</sup> May 2020.

### **When will you know who has won?**

A panel of judges will make a decision who has won each category and all entries will be informed who has won by email on Friday 5<sup>th</sup> June 2020.

### **What are the prizes?**

We will be offering winners an opportunity to visit any of the 28 fire stations in Cheshire which involves meeting a manager and crew, tour of the facilities and formal presentation of a certificate. Winners in each category will receive a golden certificate, while the 16 shortlisted finalists will receive silver certificates.

Please note that children under 18 will have to be accompanied by a parent or carer when visiting the station and supervision will be required throughout the duration of the visit.

Station visits will be organised in the future when covid-19 restrictions have been relaxed.
