Headteacher: Mrs J Narraway

19th November 2020

Dear parent/carer,

Once again, thank you so much for your understanding today following the news that we need to ask our Year 2 children to isolate for a second time as a result of a positive case of COVID-19.

All learning will be delivered remotely and a timetable posted for the week by the end of the day. This will include live streaming of guided reading sessions twice a week. Miss Igglesden will inform you of these times and days so that you can work any meetings around them if you are able. Work will be uploaded at 8am each morning. Tomorrow (and consequent days) will run as follows:

9:20am	Miss Igglesden will take a live register so your child will need to be logged onto Google Classroom. The link to access the video conferencing will be in the live stream. This will be followed by a live interactive phonics/spelling session with Miss Igglesden and then she will outline the activities for the day.
Morning task 1	An English loom video will be uploaded to share the learning and an activity posted.
Morning task 2	A maths loom video will be uploaded to share the learning and an activity posted.
Afternoon task	Topic task linked to the current learning will be uploaded and shared.
3:30pm	The children will need to log back into Google Classroom using the link from the live stream, and Miss Igglesden will read the children a story to finish the day off and answer any questions.

Throughout the day, Miss Igglesden, Mrs Dixon and Mrs Worthington will be on hand to answer any questions and give learning support.

Please remember that we do respect that some of you are working parents too and you can only do your best. We are here to support you at all times.

With kindest regards,

Mrs Jayne Narraway

Head Teacher
