High Adventure

Most of our Year 6 children have spent this week at High Adventure in Cowling, near Keighley. I had the pleasure of being there from Monday until Wednesday and have been able to witness first-hand how the children have shown determination and perseverance. A large proportion of them have overcome personal fears and realised that things aren't always as scary as they first seem. To say I am proud of them is an understatement. They have been absolutely amazing and it has been a pleasure to share some of their experiences with them.

I would also like to thank Mr Willmott, Mrs Brearey, Mrs McClean and Mrs Somerville who have given up their own time to make the residential a huge success.

Finally, a big thank you to the three Year 6 children who have supported in Early Years and Key Stage One this week!

Remote Control Cars

Yesterday, we opened our Remote Control Car zone in the playground. The children had great fun trying to manoeuvre the car around the track that Mrs Greenaway kindly painted on the playground despite the tricky conditions. Some of the children had very 'interesting' driving skills! This zone in the playground will be open every day. Some of our Year 5 children are going to run this zone and support the younger children with controlling the cars.
