There are still plenty of bugs around, affecting our younger children, which explains the shocking attendance figures! Well done to 6W and 1:2CS for getting highest overall in their key stages.

School Trip Payments

In order to provide the best education we can, our pupils have the opportunity to visit many different places to enhance the curriculum. Each visit is carefully considered for its benefits and learning opportunities for the children. Unfortunately these trips can only go ahead if we receive enough voluntary contributions from parents. This is always stated on the trip letters that are sent home.

Although no child would be excluded from an activity because his or her parents are unwilling or unable to pay, if insufficient funds are received for any particular trip then we will have no alternative but to cancel them. Whilst I appreciate that it is extremely unfair on those families who have supported the school's desire to enrich the children's learning, we are not in a position to fund the trips without sufficient voluntary contributions from parents.

Milk Scheme

The letter regarding the milk scheme was sent out earlier this week. Please remember that reply slips and payment must be received in the office no later than Friday 18th May (am). Any orders received after that cannot be added on.
