Attendance

We're still being plagued with illness - last week's whole school attendance was only 95%. We are 4 weeks in and unbelievably there are only 2 more weeks until half term. Let's hope things improve as the term draws to an end. Well done 1:2M and 3HM who both were the highest overall in their Key Stages.

SATs Week

An important week for our Year 6 children is coming up next week: SATs week. The children are ready and prepared for these, they know what they need to do and will, I am sure, do their best. The only preparation they will need over the weekend is a good night's sleep, some early nights next week and plenty of TLC.

** Breakfast will be available from the Monday through to Thursday for all of our Year 6 children to ensure they have the best start to the day before their SATs begin.*

Milk Scheme

Please remember that reply slips and payment must be received in the office no later than Friday 18th May (am). Any orders received after that cannot be added on.

Carnival

Plans for our Carnival are in full swing, however we couldn't do it without you! You can help make the day a success by donating toys, books, home baking, tombola prizes or your time. We will start collecting donations after Spring Bank.

If you can donate your time, please give your details to the school office and someone from the PTA will be in contact. Even if you can't man a stall for the full day maybe you could help for an hour? We also need people to help set up on the morning of the carnival and at the end of the day to prepare the school for lessons again on Monday morning.

At present we are on the lookout to secure raffle prizes and vouchers from local businesses. If you or anyone you know has their own business and would be willing to donate something (no matter how small) please, please get in touch. Thank you.
