## Drinks

We allow all children to drink throughout the day, but school rules state **only still water** should be brought, **no dilute juice or fruit juices**. We also ask that children bring water bottles with caps on so that spillages are kept to a minimum.

## Inhalers

If you have informed us that your child has asthma, please ensure your child brings their inhaler into school. You should regularly check your child's inhaler to ensure that it is not empty and that it is still in date. If it is a case your child no longer suffers from Asthma, please let the office know in writing so their records can be amended accordingly.

## PTA

The PTA meeting is on Tuesday next week at 6.30pm. All parent/carers are all very welcome to come along, to see what happens and, maybe, you could offer your support. Offers of help from new members are always greatly appreciated and there are many different ways in which you can support the Association, who organise various events throughout the year to raise money for school funds. Every penny raised is put to good use and benefits all the children in school. I do hope you are able to come along and join in.
