Attendance

As you know, we monitor attendance closely. The table below illustrates the school attendance for last week and so far this school year. Congratulations to 1:2M and 5I who were the highest in their Key Stages last week.

Only five out of our nine classes are above the school target of 96% so far this year. Congratulations to 1:2CS who are leading with 96.92%, closely followed by 4L!

Please continue to support us by ensuring your child attends school every day. Get plenty of rest, healthy food and exercise over the holidays for a hardworking and well-attended summer term.

Sports Relief

Thank you to all the children for really getting into the spirit of Sports Relief, everyone made a tremendous effort and we raised £254.56.

New Lunch Menu after Easter

There will be a new lunch menu when school returns after the Easter break. A new three week rolling menu will be introduced. Every child will be given a paper copy of the new menu to bring home.

Easter Holidays

The school closes today and we return on Monday 16th April. I do hope the weather improves and families get the opportunity to go outside and spend time together enjoying doing things in the fresh air. If your child/children are spending time on their phone, iPad, or laptop gaming or chatting to friends please be aware of the constant dangers of online games, chat rooms. It is important that you are actively vigilant and take an interest in what your child is looking at on the internet to help safeguard them.

I would like to wish you all a very happy Easter break. Stay safe and see you at the start of the summer term.
