

Dear Parents and Carers,

In RE in Year 2 we have been learning about the importance of Christmas to Christians. We have been thinking about how Jesus was God born as a human on Earth to show us how to live and how the Wise Men brought presents that showed how special the baby was.

We thought that God cares for us and we should show others that we follow God's example and care for them. In class we discussed a few ideas but, when we voted, the decision was that we should collect toiletries to give to Ward A1 at Pinderfields Hospital. This is an adult ward for elderly patients.

There will be a box in KS1 for contributions and I will take them to the hospital at the end of the month. If you have any toiletries that you can spare the children will be delighted to know that they are making a difference to people in the community when help is needed.

Thank you

Mrs Somerville
