Parents of children in classes 3HM and 4L, don't forget to request your tickets (maximum of 2 tickets per family) for 'Primary School Christmas Musical' by Wednesday 29<sup>th</sup> November. Any spare tickets will be allocated on Monday 11<sup>th</sup> December.

## Headache & Pain Relief

As you know, we have emergency supplies of age-appropriate pain relief medication in school for pupils in the event of a headache or pain during the school day or during a school trip.

**Due to significant rise in demand, if your child is not feeling 100%, but is generally well enough to come to school, and you would like the school to continue administering Calpol or equivalent, PLEASE SUPPLY US WITH YOUR OWN NAMED BOTTLE (Sachets are very good. We can then dispose of the wrappers).**

**This is to ensure that we have enough medication available to use for children in emergencies. Many thanks.**

*\* Please do not pass the medicine to staff who are manning gates or doors – it must come via the school office.*

## YouTube

As a parent, you'll probably know how important the internet is to children and young people. They use it to learn, play, socialise and express themselves in all types of creative ways. This may be through sharing photos and videos, blogging, gaming, or even developing their own apps. It is a place of amazing opportunities. The technology children use in their daily lives can seem daunting. You might worry about the risks they can face online, as well as the possibility of access to inappropriate or illegal content. To help you keep them stay safe we have attached a YouTube parent factsheet for you.
