20<sup>th</sup> March 2020

Dear Parents/Carers

I would like to thank you for your support during these unprecedented circumstances. Despite the challenges of this week staff and students have been brilliant in managing throughout. As the situation continues to change we are attempting to ensure we are supporting all of our community to the best our ability.

#### **Current Picture**

We have done our absolute best to put a provision in place for our Key worker families and vulnerable students. We have had many requests to have students in who don't fit in those groups but sadly must follow the guidelines given to us. If a child can remain at home safely they should. We appreciate this will pose many difficult situations for you all looking after your children. Staff will attempt to maintain regular contact via Dojo/email and phone calls.

#### **Free School Meals**

We are looking at various solutions as to how we ensure this provision is maintained in some way and will update you on this as soon as possible.

#### **Work**

Staff will have sent work home and will be sending log ins for educational online platforms for students where applicable.

#### **Opening of school for children of Key Workers/Vulnerable Children**

The school will be open on Monday 23rd March for students who are in these key categories. We have spoken directly to these parents/carers to discuss the provision. If you have not had a call we are not able to accommodate your child at this time.

Yours sincerely

Tom Smith  
Headteacher
